

Before traveling to the USA, it is very important that you familiarize yourself with your international insurance plan and make sure you prepare medically before you depart your home country to make sure your time in the USA runs smoothly.

## Travel Checklist

Make sure you do the following before you travel:

1. Get a medical checkup
2. Visit the dentist
3. Take any medications you need with you

## Insurance Review

Your insurance plan in the USA will cover you for NEW injuries/illnesses and not pre-existing conditions! Please make sure to FULLY review your insurance details prior to arrival in the USA

## Find a Doctor

Your PPO Network is:  
UnitedHealthcare

Please make sure you visit providers that are part of the UnitedHealthcare network. You can search for providers in your Student Zone.

## Seeking Treatment

1. Locate a UnitedHealthcare provider
2. At the time of treatment, present your insurance ID card
3. Complete a claim form for every new condition

## Claims

It is your responsibility to make sure claims are paid! After every new injury/illness you will need to submit a claim form to IMG for processing and follow up with them to make sure claims are paid!

## Student Zone

All information about your insurance plan is available in your student zone:
