

## Travel Validation Request Form

The U.S. Department of State and the U.S. Citizenship and Immigration Service require that all J-1 Trainee/Interns have their DS-2019 forms validated for travel taking place outside of the United States. Please fill out the form below, submit it to your supervisor for approval, and send it to the American Immigration Council with your original DS-2019 form. The travel validation is good for one year and should be carried with your passport when you travel. The validation on the DS- 2019 form will allow you to re-enter the country on your J-1 visa.
